Amendment on Section I INVITATION TO BID	
During the pre-bid conference, a query was raised regarding whether the procuring entity could provide bidders with a structured cabling plan as a basis for computing bid costs. The Bids and Awards Committee, along with its Technical Working Group and End-users, agreed to include this information in the supplemental bid bulletin.	

This Bid Bulletin shall form part of the bidding documents.

Please be guided accordingly.

The first floor plan is divided into a grid by vertical lines labeled A, B, C, and D, and horizontal lines labeled 1 through 7. Dimensions are provided for the grid segments: horizontal segments are 5030 (A-B), 3970 (B-C), and 7000 (C-D); vertical segments are 5500 (1-2), 4000 (2-3), 5065 (3-4), 5065 (4-5), 4000 (5-6), and 5320 (6-7). The plan shows various rooms including a large open area, a kitchen area with a sink and stove, and several smaller rooms. Network nodes are represented by red triangles, and wireless access points are represented by red circles with an antenna. Data back/cabinets are represented by black rectangles. Arrows indicate connections to existing power outlets. A staircase is located between grid lines C and D, and between horizontal lines 4 and 5. A door is shown at the bottom right corner.
